

Color Time

Older houses and apartments may have lead-based paint. If you find peeling paint, tell an adult. Color the houses and apartment building below using your favorite colors.

Color by Number

Trained and certified workers can help make your home safe for you and your family, if your home has lead-based paint. Color the picture according to the key:

1 - orange 2 - brown 3 - yellow 4 - white 5 - blue

When someone works on a house or apartment with lead-based paint they will:

- Wear coveralls, gloves and a mask.
- Remove furniture, rugs and curtains.
- Cover everything with plastic.
- Ask everyone to stay out of the work area.

Stay out of the work area until work is done.
