

UNDERSTANDING LEAD

Maze Fun

Lead is a metal that might be in paint in your house and is not good for our body. Make your way through the maze and learn 6 actions you can take to keep your family healthy.

The maze contains the following elements:

- START**: Located at the top left of the maze.
- Eat healthy foods**: An arrow points to a box containing a watermelon, a fish, and some leafy greens.
- Leave dirty shoes at the door**: An arrow points to a box containing a pair of boots.
- Wash toys, pacifiers and bottles**: An arrow points to a box containing a teddy bear, a pacifier, and a bottle.
- Use cold water for cooking and drinking**: An arrow points to a box containing a faucet.
- Wash hands with soap and water**: An arrow points to a box containing hands being washed with a bar of soap labeled 'SOAP'.
- Clean your room**: An arrow points to a box containing a bucket and a mop.
- FINISH**: Located at the bottom right of the maze.

Fill in the Blanks

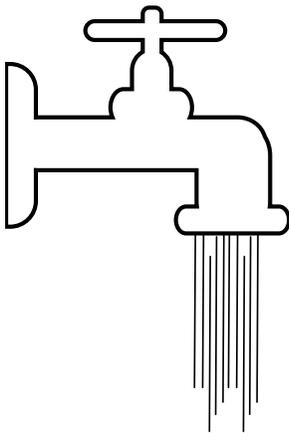

Fill in the blank with the best word from the word box for each statement below:

fruits **soap** **toys** **shoes** **cold**
